

Whatever way, the same		
nothing according to plan		
If I could just see clearly into you		
The same face every day, the sirens calling away		
This means so much more		
The floating boat is carrying me	*0	*0
and I can live my story differently	+1	+1
the greedy sirens are chewing all around me	*3	*3
While I sing oh..oh oh	+3	+3
On the falling shoals, I wonder Why me?	*0	*0
On my way to the falls, I hope you see	+1	+1
we are heading to the wall even if you are sorry,	*3	*3
while I sing oh...oh oh oh	+3	+3
In my sleep, nothing sane	*0	*0
nothing according to plan	+1	+1
If I could be someone, without you	1	1
	+0	+0
The same smile everyday	*0	*0
The sirens calling away	+1	+1
This means so much more	1	1
	+0	+0
The floating boat is carrying me	*0	*0
and I can live my story differently	+1	+1
the greedy sirens are chewing all around me	1	1
While I sing oh..oh oh	+0	+0
In my sleep, nothing sane	+1	+1
nothing according to plan	*0	*0
If I could be someone, without you	1	1
	+0	+0
The same smile everyday	+1	+1
The sirens calling away	*0	*0
This means so much more	1	1
This means so much more	+0	+0
	x	x
The sirens calling ouh...ouh ouh	x	x
While I sing ouh...ouh ouh	x	x
	x	x
The floating boat is carrying me	*0	*0
